

Universal College Of Engineering & Technology

Workshop on Ethical Hacking

Our college is going to arrange a **workshop on ethical hacking and cyber security** in order to enhance awareness for 2nd / 4th / 6th Semester CE/IT students.

Luckily, if possible, in the end of the session students will be able to directly have online conversation with **John Draper**, the first hacker on the planet earth and the one who initiated his work with Steve Jobs and Steve Wozniak in early days of Apple Inc. John is one of the team members of the group organizing this seminar.

Students need to pay a minor fee of rupees 30/- in order to be a part of it.

Date: 25-Jan-2012

Timing: 10:30 am to 3.00 pm

Venue: UCET

Workshop Coordinators:
